The only stopping **Jen H.** does on Park Ave. is to ask for directions to the Mall. **Brenda** can be seen at Goodlife's disco saying, "yo Jerry off by boobs." **Lynne** — has never made it to the Ave. because she has her butt superglued to the right corner of the couch. **Chris B.** — we just can't get her out of KeyWes fashions. You can find **Trish** at East India because she needs a different flavor every night. **Pam W.** — walks into Rudolph's Jewelry tells the manicane "Hi, how are you, you look nice," and then orders the biggest Perl. **Kit W.** — seen at Mark, Fore and Striking the Chi Psi house. **Pippa B.** — we'll see her work at the art festival each spring. **Laurie S.** — went to Orvis, bought a net, caught "THE CLAM" and **fried** her. Theatre on the Park will be showing "Fun with Pami's JIM". **Jeanne H.** — Couldn't give it From The Heart because she didn't have the balls. **Inky** — found at Match Point playing with CHAMP. **Bette** — behops down the ave. **Ellie C.** — is at the new record place still chasing "MICK". **Cindy P.** — can't be found up the ave. because she's too busy being cheek-to-cheek. **Libby** — goes club-to-club but when she plays it by ear she ends up at Decades. **Smithereens** — goes up the Little Prof. to get a book on "Peter, Peter, the Pumpkin Eater." **Ashley G. and Mimi** were celebrating their soccer victory by buying premium champagne from 7-11 and ending with the wrong side up in the bushes. Janice, I mean **Lauren,** is seen at Jacobson's buying new "Rage". Lauren I mean, **Janice,** is buying a new pin at U-Coin for the next candlelight. **Dede S.** is at the market buying Georgia Peaches. P.S. JOHN says hi. **Cindy S.** — instead of buying hot dogs at Bestway she's getting horn dogs. **Emily O.** is seen at Yuki's tailor hemming her mini-skirt. **Kinks** is changing her togs from the Halloween hookery for T.J. **Diana H.** is at the ski shop waiting for the Argentine snow. **Cynthia P.** is seen kissing crayons at Cottrell's. **Stephanie G.** is booking her next flight to St. Augustine with DEAN her personal agent at Winter Park Travel. **Andrea** is taking her Rudi's Mercedes to Barnett to open her Swiss Bank Account. **Sarah S.** — would have walked down the avenue but she just "couldn't remember" where it was. **Dene** — one night when you're on the prowl maybe you'll end up in Paradise Alley. **Dede** — looks for the spice of life at Crabtree and Evelyn even though its not as big as London's branch.

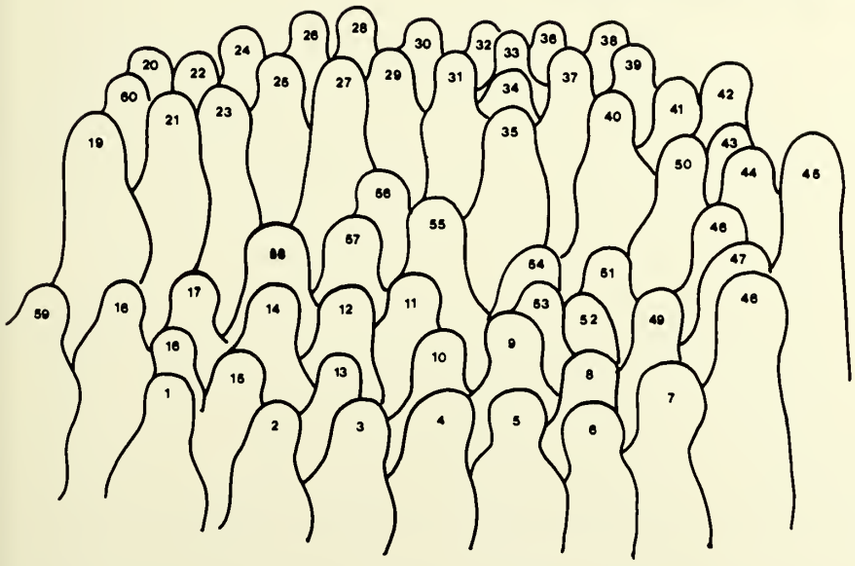

A special thanks to the bars along the avenue — We hope you're prepared for our new and great pledges. They will keep you as busy if not busier than we did.

NON COMPIS MENTIS

NCM — (eN-Cee-eM) — **non compis mentis —** not of sound mind.
Once upon a time, 25 partiers found themselves on Rollins campus wondering what to do — they saw the other sororities and decided to start one too . . .

Where to begin? We'll start with the seniors cause they're the first to go, they've been here the longest and done the most blow. On top of the list is our pres., Rho, oh no, not Rho, but here we go. She's been through the bands, the vans and the hands but at late night kegs she always stands. Next there is Laurie and oh what a story. Tim became wed and Scott could be dead, alot more could be said but we'd run out of lead. Now we have Dawn who some call Fawn. While prancing through the woods looking for the goods ran into some stormy weather, Stormy was young but so were the others. I guess Fawn just want to be a mother. Next we have Ray, what can we say, we got rid of Bruce, hooray, hooray. Now she's alone, sitting by the phone and when it rings she starts to sing, but, unfortunately, it's the same old thing. Same old things remind us of our friend next door — Blair and Rob, oh what a bore — Come on Blair have some fun cause knowing all leaves the imagination none. Next Marci Tex who gets no sex except for Bill her sole reason for the pill. Now Jen Williams who took a turn for the worst from books and T.V. to an uncontrollable thirst. As you can see our seniors are fun; we'll miss them all dearly each and every one.

Still hanging out working on year 3 we have our juniors, let's begin with Bexley — Jen's our member from Tampa town, alias pogey women when Jeff's around. What we want to know while she lives in sin, is it bedsprings or drums that cave the floor in? Pixy's major keeps her working alot, but when she's not the girl is hot. Well Mary we all make mistakes, please watch out for those lizards and snakes. She may seem quiet and she may seem shy but we all know that's a lie cause when he's around, his name is Lee. Jen Walsh is foot loose and fancy free. Stacia's our resident jetsetter, but since last year she's behaved much better. She travels alot so its said, but people everywhere ask if its red. Lori Z. never gets any sex cause her man lives far away in Texas.

Sophomores are next in line, this may take a little time. Our buddy Stace is going to Pace but that's a facade she'g going to Todd. Suzanne's brain must have softened from all those chem. bottles, cause now she's going after models. Cheryl is quiet but she likes to play — she's up all night and sleeps all day. A drink for Audrey always comes in handy that sums her up — alcohol and Randy. Tracey T. we never see. She up and left us for Kenny. Sarah on the other hand can't find a man she wants to land. Bonzo parties day and night, but when Jim's around everything's all right.

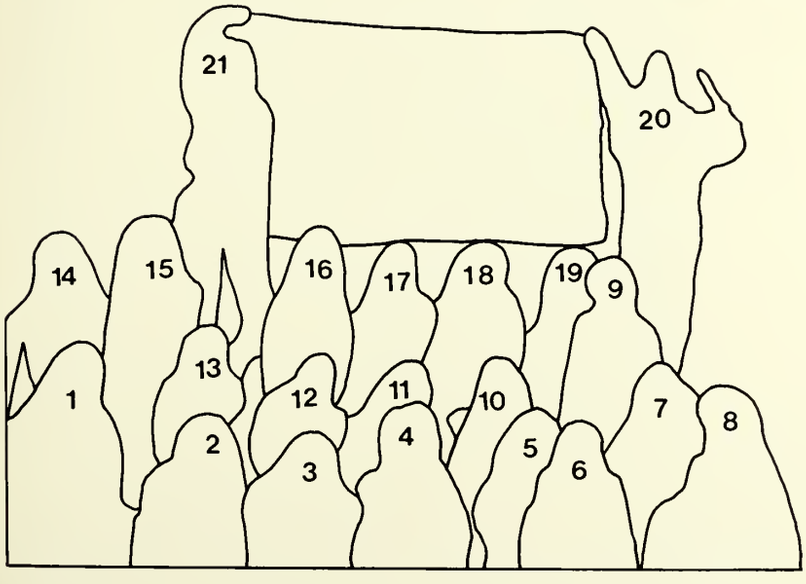

Now last but not least, our 5 new friends and after them our story ends — Tina, Betsey, Patti, Mimi, and Alison — they're all wild and crazy and lots of fun. They're learning quick to be NCM — a group of hell babes lucky for them!

Next just a final note and on this you may quote — NCM we're proud and few but there's nothing better than the pink and blue.

1. Rhona Sugarman (Pres.) 3. Pixy Kohli 4. Tracy Testerman 5. Lori Scheffel 6. Raycliffe Cronin 7. Audrey Butz 8. Sarah Stout 9. Marci Tex 10. Jennifer Bexley 13. Lori Zappala 14. Blair Silliman 16. Bonnie Duncan 17. Suzanne Gabriel 18. Particia Rodesch 19. Cheryl Long 20. Dawn Loecher 21. Stacy Fulton

CHI PSI

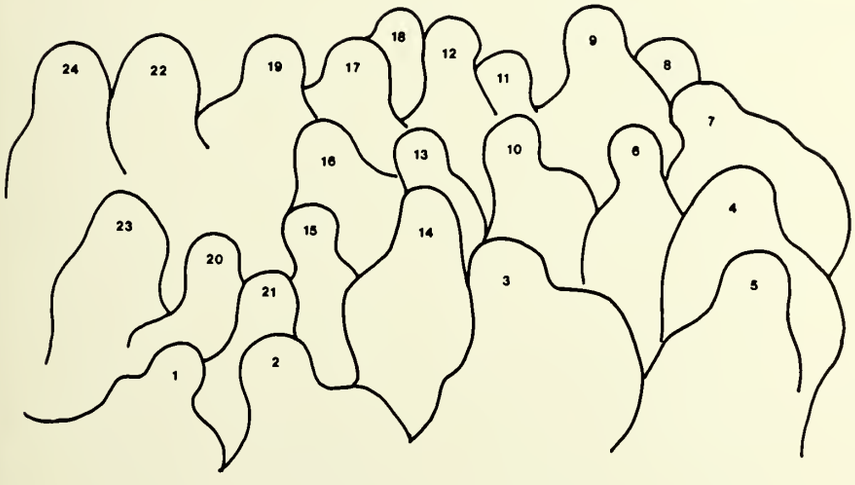

We've gone through the spring and we've gone through the fall and there are new and funny stories to tell about all.
Let's start with **Marbles,** whom with many girls he toyed, until he decided to settle down with hurricane Loyd. They had a great time together, I mean Octavia and him until she backed down and wouldn't give up the trim. Throughout the term **Kenny** felt that all girls were out of reach, until the kamikazee party where he picked up the bleach. When it comes to girls Kenny wasn't picky, unless they weighted two hundred pounds and could give a good hickey. **McCoy** started the term with girls like Lauren and the Shrew and finished it out with Julie, Betsy, and Amy too. From the girl it came from not a word was coughed, but all I can say is that our coach has gone soft. Next to McCoy lives **Dick** of whom not much can be said, but you'd really laugh when you saw his big potato head. In the games that he pitches one can only reflect; he plays like Rodney Dangerfield and should get no respect. **Beano** gave up high school girls and stopped fooling around, blew it with Debbie B. and made it with Miss Downes. Now that Lisa left and they're in two different worlds, Fred can settle down and go back after high school girls. As I made my way around the second floor I'll start with **Billy**, at the age of nineteen he still wets his bed which is rather silly. Come on let's get serious, this sounds like a problem of Seth's, however, not only did he wet his bed but he also wet Beth's. Billy's roommate **Steve** is a really tennis jock, and some have said he resembles Snoopy's friend Woodstock. Then there was **Chumley**, who when with the big woman failed to make a pass, but when he did, she threatened to have Darrow kick his ass. All during the fall **E-Dog** was troubled by cuts and sprains and it gave us the impression that the Cue uses whips and chains. After Christmas break there was a big change in his life, he gave up the stud life and took the Q as his wife. When it came to music and girls, **Jeff's** taste was rather fancy, because he did settle down for Boy George and Nancy. When it came to girls **My Boy** rarely had a chance, but one night he got an h.j. outside the pants. About **Cornhead's** lovelife, we assume it isn't dead because come Sunday he always seems to cover the spread. Now his partner **Bates** is always seen with a smerk because he's earning good money while **John** does the work. Next to **Rob** lives **digger** a guy with a head full of steam who is really pissed because he plays second string on the team. When he looks in the mirror he is really appalled, because his hair is falling out and soon he'll be bald. Next to **Kojak** live Rookie a typical Jewish lad who thought he'd made Rosilyn a good husband and her kids a good dad. Now Rookie will be a different father unlike most and many he will teach his family not how to stretch a dollar, but how to stretch a penny. About Rookie's roommate, **Stamby**, a lot can be said, but the funniest occurred when he pelted Rookie in the head. Now Rookie didn't appear frightened, I'd call it amazed when he was sitting down just before being dazed. Next to **Boom-Boom Stambaugh** lives **Harry Reims,** and I really wonder for which girl he creams. There are many out there who won't get this quote, but don't worry Harry it's only a joke that I wrote. Next to Harry lives our quarterback **Raybo Harding**, and without his wife Carla he doesn't enjoy partying. I'm worried about Ray, Carla, and the Blue Nun, since I heard him mention that she may be the one. When one thinks husband and wife, no I don't mean Klunk. I'm talking about Beth and her whipped boyfriend **Trunk**. Now here's a couple nobody in their right mind would clone, she gives out the orders and he waits by the phone. Then there's the **Dr.** who surprised us by not getting crabs, but the Beans woman did give him some awful scabs. About **Eddie M.'s** love life we know it isn't dead, because it looks like someone spilled a milkshake in his bed. When it comes to **Kurt's** girlfriends we don't know which he'll marry but if true love is involved, we all know that it'll be Sherry. When it comes to football **Camuck** is nothing less than great, but he had to go to Germany to find himself a date. About **Max** and ugly girls we really must wonder, but he didn't change his ways in the land down under. **Dimitri** and **Chuck** were two swell Chi Psi guys until their bad studying habits forced their good byes. We've grown to know **Todd** to give anything a whirl, but we were all shocked when he ended up with an Indian girl. In our house, **Squid** has become quite a celebrity, but it was all done by hard work and what he calls "integrity". Since **Otter** is a nice guy, he wanted to let us all know when he started acting he'd invite us all to watch his show. **Rock man** was content living across from **Billy** and **Crout** until his discovery of Asti forced him to move out. It used to be that two-brew would hang out with the Chi Psi, but since he found a girlfriend he is one of the forgotten guys. Now **Willi** is a guy that's used to hanging out with girls that are kinky, but he has made a change and has gone after Inky. When it comes to girls, **Gherkins** has all the power, especially the other night after the dreaded shower. When it comes to making the baseball team **Mostrangelo** is getting steamed, because he has gone out for two years and both times got reamed. **Barry** is a Chi Psi involved with an off campus spouse, he devotes a lot of time to her because he is never around the house. When it comes to girls **T-Bear** is a regular Chi Psi, he parades the good looking ones but with the ugly he's sly. With **Scott's** old girlfriend, Tracy things got pretty hairy, but things are looking up with his new girlfriend Kerri. When it comes to picking up girls, with his good looks for **Bucket**, it's a cinch. But we all wonder why he keeps ending up with the pinch. As a conclusion to these poems that will be written on the walls, all I can say that if you're not a **Chi Psi** you're not the balls.

KAPPA ALPHA

The boys of old **KA** have battled through yet another year of dames, damage, and drunkeness, on the snowy shores of Lake Virginia. Devious Doctor Levis, "Friend of the Greeks," once again failed to stop the ultimate party machine. The boys with a little help from Perry Maison and F. Lee Bailey united to fight yet another battle against slime, scum and slander. Big Bush Lutz led the charge welcoming Dean Watkins in style. In a futile attempt to return our charter to General Lee, the boys united to climb another insurmountable mountain and prevailed. The **KA's** are back to dominate the shores of Lake Virginia for another 57 years. The final veterans of Lyman Hall are slowly preparing to end their four year vacation and seek reality.

"Steady **EDDIE" LUTZ,**.our illustrious President stormed into his career with Gail Forces, settling for a Gill now and then but rounded out his four years snacking on an Eclair. **RICUS** "The Snake" **VANDERHOODED** got a desk job in Vancouver, then changed his religion to celebrate Jannica. **SCOTT** "Cannondale, I'm not going to work for my Dad" **MONTGOMERY** took various breaks during the year, but is still mounting Sylvia's Ten Speed. **WES** "Dolphin in a sea of Mackeral" **BALL** will be easily satisfied drinking Dewar's Scotch as long as he has plenty of LEAH-way. **BOB** "Double Knit and B-Squared" **HUGHES** finally got a X-Mas shower, but fortunately he "STOUTED" it out with the help of Ellie, Heidi, Brycie, Jennifer, Stephanie, Dana, and finally said I'm going to McDonald's. **CHRIS** "Sure you're going to Law School" **BAYLINSON,** always in search of some Gudda Beaver but often settles for a quick trip to the slopes in the White Truck. **T.J.** "The Bearded Professor" **HAUSKE** traded his "BARBY DOLL" from last year for a quick "K-NICK" and Purtell's Purple feather. **SAM** "Mr. Responsibility" **SMITH** while still wetting his bed was kicked out of Cleveland to live at Brookwood Lodges and enjoy a Brycie life. **CRAIG** "I'm driving home" **BRIGGS** got back on course with a straight putter and future Mrs. Wee Wee, Robin. **TOM** "Rabbit Food" Mintor bought and sold his way through another year in his flip flops, watching his brothers burn brain cells and pursuing a career in intellectualism. **PAT** "G.Q." **MCNEIL** took strong "Ame's" at the spanker while Dene waited her turn on the sink. **PETE** "Who Gives a Shit" **CARLETON** and Ashlie no longer make waves together as they now sit around and penetrate. **PAUL** "Firebush" **BAGINSKI** may turn communist with his red fetish if the General says it's "Jonay". **JIM** "Still Trying to make the tennis team" **HANLON** had to LEAHve Australia when it "DAWNED" on him that Pammy was his racket. **STEVE** "Dressed for success" **DONALDSON** hit the heights of **HOLT** with Susan, after realizing there are other things to do in your birthday suit. **LESTER** "Marley" **JOSEPH** occupies the Hotel Pinehurts, where you can check-in any time you like, but you can never leave. **EVEN** "Lemon 911" **BERNSTEN** got a great deal on a Porsche, but can always be found driving something else harder and faster.

Looking forward to a capable crop of juniors we have Marc "the hog" Meyersfield, Dave "Circuit Man" Bowser, Brian "Delirious" Talgo, Mike "Nice to have you back; buy another car" Hilton, Ted "Looking forward to Australia" Williams, Tom "Louise" Sharp, Diego "Scarface" Garcia, Mike "Melonhead Miami" Randazzo, Ron "Sure you can surf" Presswood, Dag "pocketpool" Peirson. On to our newest upperclassmen Sophomores: Dave "Nice roommate" Larou, Sav "WHO?" Flemma, "P-P-Parker R-R-Roy", Michael "Older Lady" Longnecker, Scott "Clap for club med" Williams, Oscar "drive much" Williams, Bob "Transfer" Cooke, JoJo "Shemp" Grant, Doug "Curly" David, Dan "Nice to see ya" Sylvestry, Mark "Fred" Edwards.

P.S. LONG LIVE DAYTONA, SCHWILLERS, BOXERS, CASA G'S the DINNER, JELLY-VISION, BREAKFAST HEAD, MORNING MISSLE, FESTING AND JOLTS, — DON'T FORGET MAD DOG, B^2, 4×4's, KA team ski boat, pong and tequilla with the general, and FOREVER "NO FAT CHICKS" P.S.S. WE WOULD MENTION OUR PLEDGES BUT EVERYONE KNOWS YOU CAN'T PUT WHALE DUNG ON PAPER.

TAU KAPPA EPSILON

TOURING THE TKE MANSION: Entering the reception room, at times reeking of a swamp, one seldom finds any first floor activity as the three inhabitants are usually hiding in their niches. On those rare occasions, though, you might encounter **Vave —** either thumbing through the Bible or the black book; **Vas —** cooking up a storm with E.G. as dessert; and if you're really lucky, you might spot our Phantom Pete **Teke.**

Making your way up the spiral staircase, one stops to take a drink just in time to encounter the underlings. Clad in boxers, this fell's really hip, roaming the halls with a dip in his lip. Next door is double trouble; **Popeye** with the girls, thinks that he's ugly but if that's the case, the **Bauster** is fugly. Jumping the toilets, one enters the room of what seems to be a slob. But out comes the neat dresser, **Flaco** who has others do his job. Talucca is in his room working on our next party plan, recognition as a "true" stud is the goal of our social chairman. **Todd's** room this year has turned into a double, if he keeps sharing showers, he might get in trouble. **Pongalito** the Panamanian may be quiet but is no fool, he wanders the halls — playing pocket pool. Occasionally, the **Rooter** will scurry out of his hole to balance the books or to visit the Phi Bear who he thinks has looks. Next, you can enter the B/S club for some dry martinis. **Ebby** when drinking them, has a ball but when it comes to the stairs — he's bound to fall. When Ebby went away his roommate went astray. Those beds become one and for **Barney** and **Betty** the fun just begun. **Clammy** who thinks our neighbors are God, continues his search for an athletic squad. Our own **G.Q.** pumps iron all day so when night fall comes, with the women he'll play. **Jake the Weasel,** clad in baggy pants, sets out for Whispers — ready to dance.

Finally you ascend to the headquarters of Mission Impossible — the 3rd floor. **Chris** is the youngster, Secretariat is his horse, he can't choose a girl to stay on his course. Then there is **Fred** — balconizing in his game, big ears, big nose, one lung is a shame; leaving squigglies in the bathroom will be his claim to fame. **Huxy,** his neighbor, the R.A. of the place was caught in a blizzard, with "snow" on his face. Guarding the floor's entrance is **Dean,** when it comes to his work, he likes to indulge but if he is wearing his famous pants you can't miss his little bulge.

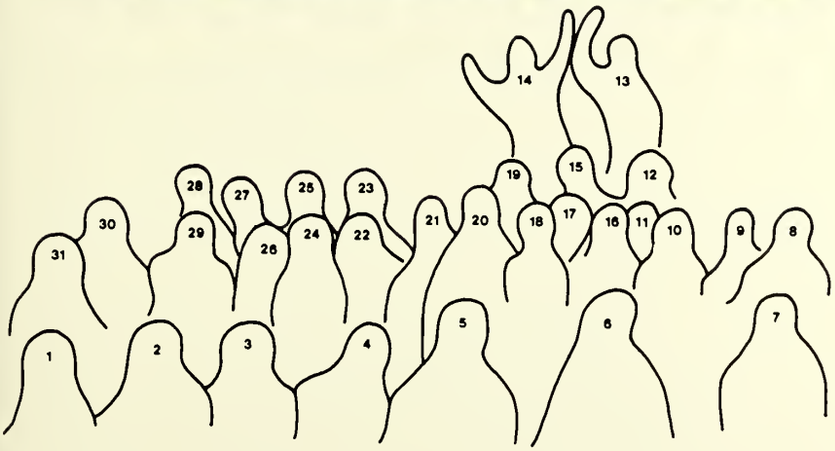

Up in the attic is the ghost of Uncle Schlong who says he'd be with us if he ran laps right along. Moving out of the mansion is the rest of us; if we didn't include them, they'd make quite a fuss. **Mark** won't divorce the Pinehurst crew even if we say please, but he's faithful to our president — look at his dirty knees. One member of Elizabeth will always be loyal, but who has no balls to live in the house, **Mr. Boyle? Bobby G.** trains all that join late and what about that Christmas formal date? Our advisor **E-W,** remembers one party real well, we're told he's in his lab mixing swamp water to sell. Our little sisters put sparkle into the mansion, both old and new . . . If this were champagne, we'd all toast to you! Leaving the house with a stench of old beer, with long lasting memories to get us psyched for next year!

TOMOKAN

Serving as editor of the **Tomokan** has been at times exciting but many times frustrating. I have attempted to paint a well-rounded picture of Rollins during the 1983-84 academic year.

Each year many changes occur at Rollins. This year, a new dean of students, the beginning of a new library, and a new baseball stadium marked the times. These changes as well as the daily activities of everyone at Rollins have made for an exciting and memorable time. Through this book, I have tried to put into pictures both the times of laughter and the times of tears.

There are certain people to whom I wish to express my deepest thanks: (1) Mariann Mulan, for braving the dirty job of Assistant Editor, (2) Sissy DeMuth, for making up for J.F.'s mistakes, (3) Dean Watkins, for having faith in me, (4) Teri Cole, for believing me (and the rest of Publication's also), (5) Scott Roth, for laughing with me as well as at me, (6) Judy Jones, for braving not only an office next to mine, but a dorm as well, (7) Alpha Phi for at times listening to my screaming for 24 hours nonstop, (8) My parents, for coaxing me out of my nervous breakdowns, (9) Hunter Publishing and Hyatt Hotels, for seven days of learning in N.C., (10) Ron Steirs, my Representative, for returning my calls, (11) and most of all, Peter Lindemann and **Dan Richards** because they answered their phone when no one else would, and they offered undying support and shoulders to cry on!

In conclusion, I hope that the 1984 **Tomokan** does justice to the past years, and I hope that when it is taken off the shelf in years to come, it will stir just the right memories for each person here at Rollins.
